- Java (Intermediate)
- Python (Intermediate)
- DSA (Beginner)

Tools & Frameworks:
- Git & GitHub (Basic)
- VS Code (Intermediate)

ABOUT ME

My name is Girish Suthar, and I hail from Sirohi, Rajasthan, popularly known as the 'City of God.' Currently, I am based in Abu Road.

I completed my secondary education at Adarsh Vidya Mandir, Senior Secondary School, Sirohi, achieving 77.33%, and my senior secondary education with an impressive 91.60%. I am presently pursuing a Bachelor of Technology degree in Computer Science and Engineering at the Chartered Institute of Technology, Abu Road, affiliated with Bikaner Technical University.

I am passionate about helping others whenever possible and have a deep interest in music and e-sports. I enjoy engaging in various sports, including cricket, badminton, table tennis, football, and chess, along with video gaming.

EDUCATION

- **12th Pass**
  Adarsh Vidya Mandir, Senior Secondery School, Sirohi, Rajasthan, India, Siroh (2019 – 2021)

- **B. Tech in CSE**
  Chartered Institute of Technology, Abu Road (Oct. 2021 – May. 2025)

EXPERIENCE

I am a final-year B. Tech student in Computer Science, actively building projects to strengthen my practical skills. While I do not have formal work experience or internships yet, I have gained hands-on knowledge through self-driven projects, coursework, and online certifications. I am now looking for an opportunity to apply my skills and begin my professional journey.

PROJECTS
